Summer 2017

Welcome to our Summer Newsletter

As you will see we have had a busy and productive year. We continue to develop strongly the BIG 3 - ITT, Professional Learning and Professional Support.

Thank you to you all; Headteachers, senior staff and SLEs for your hard work and key contribution to the teaching school programmes.

Join Us

As a collaborative group of innovative schools we welcome other schools and partnerships to join us on our journey.

For more information contact Melanie or Philippa at Ealing Primary Teaching School Alliance.

Lesson Study

After successfully establishing this approach in 12 schools year last we are pleased to say 8 new schools have now taken on this approach supported by our 4 SLEs who have trained with the IOE this year.

We have a free offer for a limited time - schools interested in Lesson Study can contact us for more information.

Our Research work with the IOE is ongoing and by Spring term 2018 we hope to share our findings with Ealing schools and the wider community.

Professional Learning

Applications for the NPQML/NPQSL will open in June; we will continue to work in partnership with the IOE and our experienced team of local leaders to deliver these programmes.

Professional Support

We have 25 SLEs; all experienced professionals. A number are currently deployed in the areas of Lesson Study, SEND Peer Review, school-based training and supporting Literacy and Numeracy Networks.

If you are interested in our Walk and Talk Partners, or would like any other support from our SLEs, please register through our web-site.

Teacher Training

We are pleased to announce that out of 23 successfully placed students this year, 10 have already secured jobs for September within Ealing schools.

EPTSA will continue working with our strategic partner St Mary's next year and with the IOE partnership where a number of our leaders have direct input into the supervision and tutoring of our students on placements.

A Big Thank You to all those schools who have supported our students this year. If you would like to work with us next year providing placements for either School Direct or PGCE students please register your interest on our web-site.

Growth and Enrichment Programme

Over 90 people have so far attended our training this year; sessions are rated 99% excellent/good in all areas. We have some exciting training sessions on offer; sign up to our mailing list so you can be the first to hear about them.

Stepping Stones Programme

Develop, inspire and challenge teachers who are aspiring leaders/new to year group leader/co-ordinator roles, commences 8th June at Gifford Primary School

How to be Outstanding in Early Years

An informative, interactive and innovative day with Georgina Tait on 15th June 2017 at Downe Manor Primary School

SEND

SENCo Induction / NASENCO

The next SENCo Induction cohort starts in Autumn.
Be Inspired by Dr Amelia Roberts, IOE and begin to form new professional partnerships with colleagues
Interest can be registered via EPTSA web-site
25 Delegates have successfully completed the programmes
100% would recommend them

SENCo Networks

Join our SENCo Networks to collaborate, receive updates and information
Influence SEN practice in Ealing, listen to guest speakers and network with colleagues

SEND Peer Reviews

100% of schools recommend these as a valuable process
'The Governors have found both the SEND SEF and the SEND Peer Review Report particularly useful as it has enabled them to see the links with School Improvement and a detailed review of the provision of SEND within the School'
'Excellent CPD opportunity for the SENDCo'
Please let us know if you feel your school will benefit from a review

This year our specialist training has been well supported by Ealing schools and beyond

Our programme next year will include:

Accessing the Curriculum in Numeracy and Literacy for Pupils with SEND, Autism Education Trust Training Tier 1&2
ELKLAN - Speech and Language Support Level 2/3, Multi-Sensory Approaches to Learning, Special Selections,
Supporting Behaviour for Learning, Use of Motivators, Teachmeets, Team Teach

Twilight sessions can also be tailored to your individual needs and delivered in your own setting
